About GLiB

GNU/Linux Bogor, GLiB is a community or movement in the field of Information and Community Technology (ICT) with the main focus utilization in empowerment of the operating system GNU/Linux and free software and open source also promoted FOSS to general public.

History of community linux Bogor start from some people in Bogor like Michael Sunggiardi (Bogor Internet), Mohammad Anwari (BlankOn Project), Yanmarshus Bachtiar, Utian Ayuba and etc. They try to discuss on online forum KPLI Bogor 1998-2000. GNU/Linux Bogor transformation from KPLI Bogor started on May 20, 2014.

GLiB is the most active grass-root open source event in Bogor. Last June, we created event Kodekepo, Kodekepo workshop was organized by GLiB and MICRO IPB. A discussion with author programmer GNOME 3 App Development followed by 200 participants. In GLiB, we try to sharing knowledge and invite more people to using open source software.

Become a Sponsor

"We are looking forward to welcome the GNOME community to Indonesia, a country that has a large Free and Open source community, we are excited that they will gather for GNOME.Asia Summit 2015" said Estu Fardani, a member of the local organizing team.

The GNOME.Asia Summit 2015 will provide a unique opportunity for stakeholders to discuss Free and Open Source Software solutions, programming and promotion. Besides being a community event the Summit welcomes companies to connect and learn more about GNOME and FOSS.

Sponsors are:

- Featured conference materials and in announcements;
- There exists networking opportunities.

About 500 participants are expected to attend the Summit from Asia and other parts of the world. Sponsors have the chance to connect with the local market, discover new business opportunities, and increase awareness about their products.

Universitas Indonesia (UI) will host the venue for the event. UI is the largest university and one of the oldest universities in Indonesia. The University fully support the local organizers in their efforts with organizing the 2015 GNOME Asia Summit.
